Education

Indian Institute of Information Technology, Vadodara Bachelor of Technology in Computer Science and Engineering	2024 – 2028 CPI: 7.37
Tak Shiksha Niketan, Ajmer Senior Secondary (Class XII)	2023
MSS Public School, Kishangarh Secondary (Class X)	2021

Projects

CoCode React, Node.js, Express, Socket.IO, MongoDB, Tailwind	GitHub
- Built a real-time collaborative code editor using WebSockets, enabling multiple users(up to 4) to code simultaneously with sub-second synchronization, improving team collaboration efficiency. - Integrated Monaco Editor to provide IDE-like features (syntax highlighting, formatting), reducing context-switching between editors and browsers. - Added AI-assisted debugging and code suggestions using Google Gemini API, helping users identify errors and improve code quality faster.	

Lecturely React, Node.js, Express, MongoDB, AssemblyAI	GitHub
- Developed a full-stack platform that converts academic lectures into structured notes, reducing manual note-taking time significantly. - Implemented speech-to-text transcription and summarization pipelines using AssemblyAI, automating extraction of key concepts from lecture audio. - Designed a chapter-wise navigation and editable notes system, enabling faster revision and personalized content organization.	

SudoQ JavaScript, Python (Flask)	GitHub
- Implemented an optimized backtracking-based Sudoku solver capable of solving standard puzzles within milliseconds, ensuring fast and accurate solutions. - Designed a step-by-step hint system that explains intermediate solving logic, improving user understanding of algorithmic decision-making. - Enabled image-based puzzle input using OCR, automating grid extraction and reducing manual data entry errors.	

Achievements

- Secured **1st Place** in HackIIITV (Web Track) by building the *CoCode* collaborative coding platform
- Solved **100+ DSA problems** on LeetCode and similar platforms, strengthening algorithmic problem-solving skills

Technical Skills

Languages: JavaScript, HTML, CSS,Python,C++,C
Frameworks & Tools: React.js, TailWind CSS, Node.js, Express.js, Socket.IO
Databases: MongoDB, MySQL
Developer Tools: Git, GitHub, Figma, MATLAB, Excel
Core CS: DSA, OOPs, DBMS, Linear Algebra, Probability & Statistics

Leadership and Volunteering

- Core Member, Dance Club (IIIT Vadodara):** Coordinated performances and workshops, boosting student participation in cultural events
- Core Member, Drama Club (IIIT Vadodara):** Assisted in production planning, rehearsals, and stage execution for college events
- Volunteer, College Cultural Events:** Managed logistics and on-ground operations for inter-college fests
